RIRVA NETWORK VI

Italian reference system for information and access to the AVR measures

Consorzio naz. Idee in Rete with CIR, OXFAM, GEA,
Cons. Naz. Ordine Assistenti Sociali- CNOAS,
with the support of Fondazione ISMU

MEMBERS:

- **National staff**
- **Toll-Free Number / Return Help Desk**
- **Focal Point – (FP)** regional or supra-regional bodies in charge of the support of the Information Points and Raise Awareness Points
- **NETWORK MEMBERS THROUGHOUT ITALY**

Public or private organizations/bodies representing RIRVA as:

– INFORMATION POINTS

With the purpose of fostering activities of awareness raising on the AVRs and offering migrants consultancy in order to provide them with the necessary help in the access and choice of the best measure for them and finally report the cases. Information points are bodies already dealing with migrants on a daily basis;

– AWARENESS RAISING POINTS

With the purpose of enhancing the awareness raising and information activities on the AVR on the territory addressing local actors, citizens and public entities in cooperation with the actions carried out by the Information Points.

HOW TO BECOME A MEMBER:

Membership is free of charge. It gives the chance to become part of a national network which informs on the AVR topic and train the staff of the members making it able to correctly contend with the potential migrants interested in the AVR measures implemented in the Italian territory.

It is possible to become a member of the network by filling in a registration form available at the web site www.reterirva.it, section "la Rete RIRVA".

PLANNED ACTIVITIES:

1. Network management and information on the AVR:

- Informative support and trainings for the bodies both members and not members of the RIRVA Network, fostering the potentialities of the informative system carried out also thanks to the Communication Plans of the 14 Focal Points
- **Information and consultancy provided to migrants**, and also AVR case reporting through the **Information Points**
- **Awareness raising on the AVR measure**, thanks to the planning of **25 local trainings**, in partnership with the National Association of Social Workers. Those events are training sessions addressed to both public and private bodies working with migrants and stakeholders;

2) Management and update of the informative tools supporting the Network Activities:

- **Web site** - www.reterirva.it
- **Toll-free Number : 800 72 20 71 and Return Help Desk**: national number providing migrants, case workers and citizens with information on the AVR. It also refers them to the nearest Information Points (From Mondays to Fridays 9.00 a.m.- 4.00 p.m.);
- **Informative Material**: leaflets, in-depth analysis, a handbook in support of the activities carried out by the RIRVA members - especially the Informative Points operators, broadcast of news and newsletters to the RIRVA subscribers;
- **Facebook page, Twitter, Return App**

3) Dissemination of the activities carried out with regard to the cooperation with the Third Countries mainly involved in the AVRs

- Drafting and dissemination of **multilingual informative materials and news** on the ongoing AVR projects in 3 languages
- Organisation of a **national workshop**
